Assignment Descriptions:

1. Personal Writing (100 points)

As we learn the whys and wherefores of reading and writing, it is important that you learn by doing and not by watching. To this end, you will experience writing workshop through completion of your own writing. You will complete and publish one piece (100 points) of personal writing during the course of the semester. Ideas for topics and models to consider will be spoken about in class. From these conversations, you will generate several drafts; however, one of these pieces will be taken through the writing process – prewriting, drafting, conferring, revising, editing, and publishing. Be ready to write, to confer and to share. (ELA/Reading Standards 9, 10) (PPR Standards 1.5, 1.11s, 1.18s, 1.22s, 2.2k, 2.23k, 2.1s, 2.20s, 3.3k, 3.4k, 3.12k, 3.14k, 3.3s, and 4.5s)

2. Research Log Entries for Reading (20 points each x 5=100 points)

Teachers need to be organized. To that extent, you will complete a research log this semester to help you organize the questions you've asked, the materials you've read, and the sources you've used. Complete the research log as described in the syllabus. You should bring a copy of this log to class in order to complete in discussion groups. A copy should be emailed to the instructor THE NIGHT BEFORE CLASS. Points will be deducted if the log is not brought to class AND/OR not emailed to the instructor by the deadline. Remember, besides reading the assigned Teaching Writing chapter, you must also read AND BRING TO CLASS an additional journal article or chapter from a professional book dealing with the same topic. (ELA/Reading Standards 8, 11) (PPR Standards 2.2k, 2.4k, 2.5k, 2.6k, 2.7k, 2.16k, 2.22k, 2.23k, 3.4s, 3.5s, 3.9s, 3.19s, and 3.20s)

3. Reading Groups (100 each x 2=200 points)

In a small group you will lead the discussion during the semester for 2 chapters from *Guided Reading: Good First Teaching for All Children*. You will be expected to present an interactive lesson to the class about what your group learned from the chapter. Chapter assignments will be made during the semester. (ELA/Reading Standards 4, 6, 7) (PPR Standards 2.2k, 2.4k, 2.5k, 2.6k, 2.7k, 2.16k, 2.22k, 2.23k, 2.1s, 2.3s, 2.4s, 2.5s, 2.8s, 2.9s, 2.18s, and 2.20s)

4. Reading Assessment (100 points)

Since informal literacy assessment is an integral part of a teacher's responsibility and one way to guide and plan instruction—you will “assess” and determine the “instructional/independent/frustration” levels for one student within your certification area. You will assess for phonemic awareness, phonics, fluency, comprehension, and spelling. You will also assess for Dyslexia. In narrative form, your submission will be expected to include the student's background, assessment findings, and recommendations for parents and teachers. You will also turn in the assessment instruments and a one-paragraph reflection. (ELA/Reading Standards 1-12) (PPR Standards 2.2k, 2.4k, 2.5k, 2.6k, 2.7k, 2.16k, 2.22k, 2.23k, 2.1s, 2.3s, 2.4s, 2.5s, 2.8s, 2.9s, 2.18s, and 2.20s 3.1k, 3.3k, 3.4k, 3.7k, 3.8k, 3.12k, 3.13k, 3.14k, 3.15k, 3.16k, 3.3s, 3.4s, 3.5s, 3.9s, 3.19s, and 3.20s) Texas Law (38.003

Screening and Treatment for Dyslexia and Related Disorders, §74.28. Students with Dyslexia and Related Disorders)

5. Live Binder (100 points)

To expand your literacy resources you will add six tabs to the Live Binder you created in RDG 350. Four of the tabs are: Guided Reading, Fiction/Non-Fiction Texts, Dyslexia and Lesson Planning. Two tabs are your own choice. More information about the Live Binder will be discussed during class. (ELA/Reading Standards 8, 11) (PPR Standards 1.16k, 1.16s, 1.17s, 1.18s, and 1.20s) Texas Law (38.003 Screening and Treatment for Dyslexia and Related Disorders, §74.28. Students with Dyslexia and Related Disorders)

6. How To (100 points)

Since we will spend the semester learning through inquiry, you will demonstrate your learning by writing a how to essay. This assignment is connected to assignment 2A. After identifying your “burning question,” you will need to spend time researching information related to your “burning question.” This means that you need to use library and internet resources, as well as keep notes --- you will need a small notebook to collect all of your information. You will have “workshop” time each week to discuss/research your topic, but do not count on that being the only time needed to work. Once you have been successful in finding a variety of sources, you will need to determine what information is the most appropriate to capture this particular topic. You will turn in a written format a final essay. (ELA/Reading Standards 4, 8) (PPR Standards 2, 3)

The instructor will be doing regular checks with each of you to determine how you are doing with your project. Be prepared to show the instructor your progress. During class there will opportunities for you to share works in progress. You should be prepared to individually share at least 2 times over the course of the semester. These do not have to be final drafts, but can be ideas that you are working on that you may want to get some feedback on or just ideas that you want to hear aloud. You will need to turn in a reference list with your final piece. Please use APA format. A more extended description with guidelines and information is forthcoming.

Examples:

How to: Implement Guided Reading
 Use fiction/non fiction Texts
 Teach Vocabulary
 Assess Literacy
 English Language Learners

7. 3 Quizzes (300 points).

To measure the knowledge you have acquired this semester you will formally assessed two times during the semester. The first assessment will focus on oral language, phonological and phonemic awareness, literacy development and practice, and assessment. The second will focus on the writing process, writing conventions, and the development of written communications. The final quiz will focuses on promoting literacy practices, comprehension, and fluency using Guided Reading as an instructional approach. (ELA/Reading Competencies 1-12) (PPR Standards 1, 2, 3, 4)

How the Course is Organized

Class meets twice a week and there is an online unit for each week. On each “Unit” page, **there are links to supplementary readings and handouts for class activities. Students**

should print these out or have access to them in class. PowerPoint slides (in 2003 format) to accompany the instructor's lectures and to provide interactive activities are also provided for each class session. These can be found by clicking the hyperlink on the Unit PowerPoint.

Find each Assignment link by clicking on the appropriate "Unit" link on the left navigation bar, which will then reveal the Assignment link below it. The online instructions provide step by step directions for how to accomplish the assignment, links to sample papers and other resources such as report templates, and links to rubrics and checklists that will be used to assess the assignment. Please review these instructions and all associated documents carefully before beginning your assignments. ***Complete instructions for all written assignments are included in the online unit scheduled for the date the assignment is due.*** Check the Course Calendar for this date and its associated unit.

A dropbox, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found under the dropbox tab on the top toolbar in eCollege. Upload all assignments electronically into the dropbox by midnight on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc extension. Please be sure to bring a copy of your assignment to class or have access to it digitally to refer to.

A webliography with over 80 links of instructional websites of special interest to bilingual and ESL educators to facilitate your website reports assignment is provided. You are also invited to explore these websites to increase your knowledge of Internet resources available to you for your teaching.

Internet access/connection – WiFi—no extensions will be given for intermittent access.

Microsoft Word and PowerPoint, 2003 or 2007

Internet Explorer (6.0, 7.0, or 8.0) or Firefox (3.0)

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services.

If your Internet access at home is not high speed, you may have difficulty uploading and downloading files, including your assignments. If this is the case for you, I suggest you use the computer labs on campus to send in your work. **No deadline extensions will be provided due to these technical difficulties.**

ACCESS AND NAVIGATION

eCollege Access and Log in Information

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: <https://leo.tamuc-commerce.edu/login.aspx>.

You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamuc.edu

COMMUNICATION AND SUPPORT

Communication

You can easily use the “Email” tab on the top toolbar of eCollege to email me, any one individual or the whole class if you like. ***I will only send email to your university email addresses using this system so please check your MyLeo email frequently.*** Feel free to communicate your classmates or me via email if you have any questions or concerns (other than tech support issues).

I am happy to answer any questions you have about the course or the program. Please do be sure to check the syllabus and other eCollege materials first to see that any of your questions can be answered there. I try to anticipate your questions as best I can and answer as many as possible in the assignment explanations.

Additionally, it is very important to me to respond to you as quickly as possible during business hours, Monday through Friday from 8-5PM. If you email me outside of these times then I will respond you as soon as I can the next business day. On days I have back-to-back meetings and/or classes, it may take me longer to respond. So if you have any questions regarding an assignment that is due, I recommend asking your questions far enough in advance that you have one or two business days to work on an assignment after hearing from me.

Lastly, if you have to miss class, I appreciate a message telling me why you will not be with us. (You still won’t get any attendance points for the missed session, but this is a good professional courtesy to get in the habit of doing.)

eCollege Announcements

When you log on to the course via your myLeo, please check to see if there are any announcements. I often pass on announcements from the university as well as make my own about events such as BESO (Bilingual/ESL Education Student Organization) meetings. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

eCollege Student Technical Support

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week.

Chat Support: Click on '*Live Support*' on the tool bar within your course to chat with an eCollege Representative.

Phone: 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.

Email: helpdesk@online.tamuc.org to initiate a support request with eCollege Technical Support Representative.

Help: Click on the '*Help*' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...)

Dropbox

Your assignments are to be uploaded, as an attachment, to the appropriate dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties. **Do not** type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, eg. "Dr. Babino, please grade this latest report, not the one I sent yesterday as I made some corrections." I may send you comments via this box as well, so please click on the score to see my feedback to you.

Please do not send me your work as an email attachment; instead send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I'm looking for it in the right dropbox, which is attached to the gradebook.

Doc Sharing and Webliography

Often other students like to have access to your work such as their personal writings and how-tos. Please consider (not required, optional) uploading your work into the doc sharing area, clicking on "Share with entire class." If you find a great website, consider adding it to the webliography so that others can view it as well.

COURSE AND UNIVERSITY PROCEDURES/POLICIES
--

Course Specific Procedures:

1. Attendance is required and is essential to your success in this class. Participants are expected to be on time and to actively and constructively participate. Arriving late and/or leaving early two (2) times will constitute one (1) absence. Your attendance and participation will impact your grade, particularly if you're on the borderline of a grade. Contact the instructor (via email) if you anticipate an absence or are absent for any reason explaining the situation. This is a common courtesy that is expected by all teachers. It is also

part of forming that “community of learners” that we need in the classroom. When you are gone, there is a “hole” at your learning tables, as you are important to your community. If you miss more than 1 class, your grade may be/will be lowered. If you miss more than 2 classes, you may/will fail the course. We are trying to encourage professional development and life-long learning skills. Remember: **Class activities and group discussions cannot be made up**; therefore, reinforcing the idea that attendance is important!

****Missed Class:** In the event of a missed class, you are responsible for obtaining class materials/assignments/notes and being prepared for the next class meeting. I will not bring additional copies of handouts from previous classes; therefore, it is your responsibility to get the necessary materials and assignments from a designated class member. Select a buddy and exchange telephone numbers and e-mail with him/her. By exchanging information, your buddy agrees to collect all handouts for you and to explain any class materials/assignments/notes; however, it is your responsibility to contact your buddy for this information.

Name of Peer	Phone Number	E-mail Address

2. Professionalism: You will be evaluated on your growth in becoming a professional teacher.

You must:

a. **Engage in self-evaluation processes:** This will be done by using the rubrics provided for class projects.

b. **Demonstrate professionalism:** This will be done by:

(g) following the tenets of common decency and acceptable behavior. Code of student conduct can be found under discipline in the student’s guidebook.

Your grade will be adjusted based upon these criteria (see grading section).

Remember: You need to come prepared to class. For every 3 credit hour course you take, you are expected to spend 6-9 hours on homework each week. So, if you are taking 12-15 credit hours, you will be spending 24-36 hours on homework. Thus, you need to plan according.

c. **Cell phones:** Please keep your cell phones on silent or vibrate during class times. It is important to keep your phone put away unless we’re using it in class for an activity, as it disrupts your learning and the learning of those around you. In addition, it is

disrespectful. If the phone vibrates, please quietly excuse yourself from the classroom. If you are using a phone without letting the teacher know you have an emergency situation, ten points will be deducted each time.

d. **Technology/Class Materials:** We will be using technology in class to facilitate our learning. So you will want to have your cell phone, tablet, or laptop available for classroom activities. When technology is not in use for a class activity, you are highly encouraged to close it or turn it over to give your full attention to the activity at hand.

e. **Arriving to Class on Time:** You are expected to be in your seats and ready to start when class is ready to convene. Class will start on time and you will be dismissed on time. Therefore, if you are late to class, you are expected to enter the class quietly and not to disrupt your table members by talking. **Remember if you are late and/or leave early two times, it is considered one absence.**

f. **Leaving During Class:** This is not acceptable behavior, as you are here to learn. When you are gone from class, you are missing both the lecture and the class discussion. If, for some reason you have an emergency (being sick, phone call or bathroom) your business is expected to be conducted in a timely manner with you returning to class quietly and quickly. **Remember if you are late and/or leave early three times, it is considered one absence.**

3. Written Assignments: All written assignments are expected to exhibit **professional quality**. You should demonstrate mastery of organizing, structuring, and editing in your writing. Letters/materials written by you as a professional and sent to parents/administrators **MUST BE PERFECT**. Begin that practice now! Therefore, if you need extra help, the **Writing Center** can assist you.

a. Written Assignments should be:

- *double spaced
- *1" top and left side margins, 1" bottom and right side margins
- *12 point font size
- *revised for clarity and meaning
- *edited for accuracy in grammar and mechanics
- *saved on computer disk or copied on paper for your records

b. Academic Integrity/Honest Statement:

This course demands a high level of scholarly behavior and academic honesty on the part of students. Examples of academic dishonesty include but are not limited to: (1) turning in work as original that was used in whole or part for another course and/or instructor without obtaining permission from this instructor in advance; (2) turning in another person's work, in part or in whole, as your own; (3) copying from professional works without citing them; and (4) any form of cheating on exams. Violations of academic integrity/honesty while carrying out academic assignments may, at the discretion of the instructor, receive a zero on the particular work in question, receive an *F* in the course, or will be brought before a higher level of governance for possible dismissal from the university.

Department Statement:

The Department of Curriculum and Instruction believes that students with dyslexia and other language disorders deserve the right to proper identification and educational intervention. These students should have access to evidenced-based instruction that meets their

educational needs. To that end, the Department of Curriculum and Instruction prepares teachers to identify, assess, and provide multisensory instruction for students with these difficulties. Consistent with the Americans with Disabilities Act (1990) and Texas Law (38.003 *Screening and Treatment for Dyslexia and Related Disorders*, §74.28. *Students with Dyslexia and Related Disorders*) the Department of Curriculum and Instruction supports the learning and teaching of instruction that assists all students including those with dyslexia and other language disorders.
