ACCESS AND NAVIGATION

eCollege Access and Log-in Information

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: <https://leo.tamu-commerce.edu/login.aspx>.

You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamu-commerce.edu.

How the Course is organized

On most “Unit” pages, there are links to PowerPoints, websites, handouts and videos. **Students should print these out and use them to complete assignments and assessments.**

Complete instructions for all written assignments are included in the online unit scheduled for the date the assignment is due. Check the course calendar for this date and its associated unit. Find each Assignment link by clicking on the appropriate “Unit” link on the left navigation bar which will then reveal the Assignment link below it. The online instructions provide step by step directions for how to accomplish the assignment, links to sample papers and other resources such as report templates, and links to rubrics and checklists that will be used to assess the

assignment. Please review these instructions and all associated documents carefully before beginning your assignments.

A **dropbox**, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found on the top toolbar in eCollege. Upload all assignments into the dropbox by 11:59 PM on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc or .docx extension. You may upload multiple files into assignment dropboxes.

The quizzes will be available online 7 days prior to their due dates. **The final exam** will be available for 5 days at the end of the semester. You will have multiple attempts to take the quiz the week before it is due. For the final exam, you will only get one attempt. You will have a time limit to complete the quiz or exam and submit it. For the exam, some items are randomly taken from a test item bank, so do not expect to have the exact same test items as others in the class. Upon submission you will immediately get a numeric score report which will tell you the number of questions missed, but not which questions. **The day after** the testing window is closed you will be able to return to the exam, seeing which items you got correct and which you missed.

A **webliography** with over 80 links of instructional websites of special interest to bilingual and ESL educators is provided. You are invited to explore these websites to increase your knowledge of Internet resources available to you for your teaching.

COMMUNICATION AND SUPPORT

eCollege Student Technical Support

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week. Do not contact me for tech support, please contact them:

- **Chat Support:** Click on '*Live Support*' on the tool bar within your course to chat with an eCollege Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.
- **Email:** helpdesk@online.tamuc.org to initiate a support request with eCollege Technical Support Representative.
- **Help:** Click on the '*Help*' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...)

eCollege Announcements

When you log on to the course via your myLeo, please check to see if there are any announcements. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

Email

You can easily use the "Email" tab on the top toolbar of eCollege to email me, any classmate or the whole class if you like. I will only send email to your university email addresses using this

system so **please check your myLeo email frequently**. Feel free to communicate with me and your classmates via email if you have any questions or concerns (other than tech support issues).

DO NOT, however, send me your work as an email attachment. Send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I'm looking for it in the right dropbox, which is attached to the gradebook.

Dropbox

Your assignments are to be uploaded, **as an attachment**, to the appropriate dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties and end up with lateness penalties. Do not type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, e.g. "Dr. Riley, please grade this latest report, not the one I sent yesterday." I may send you comments via this box as well, so please click on the score to see my feedback to you.

Doc Sharing and Weblibliography

Consider (not required, optional) uploading your work into the doc sharing area, clicking on "Share with entire class". If you find a great website, consider adding it to the weblibliography so that others can see it as well.
