**COURSE REQUIREMENTS**

**Basic Riding Skills Needed**

The student in this course should have a basic understanding of proper western equitation. They should be comfortable riding in a western saddle at a walk, trot, and lope. They should be able to distinguish which lead the horse is on at all times. They should have an independent seat and understand the use of their hands and legs in proper equitation.

**Instructional Methods**

We will spend our time in lecture discussing horse training theory and techniques. We will watch videos and discuss tack and equipment in the lecture portion as well. We will spend our lab time applying the principles discussed in the lecture. The labs will cover the four classes in a Stock Horse of Texas competition.

**Student Responsibilities or Tips for Success in the Course**

The student should understand that attendance is mandatory for a passing grade. The student will be expected to attend and participate in all lecture and labs. The student will be expected to read/watch videos in lecture and

ask questions in discussion. Above all other requirements the student is expected to come to class with an open mind and willingness to learn. Safety is of the utmost importance and a disregard for the safety of themselves and other students will not be tolerated.

The first few days will be spent evaluating the performance level of horses used in the course. The class will use horses owned by TAMUC and in some cases, horses owned by the student. The lab class will meet at the TAMUC Equine Center Arena. The instructor will take roll each and every class period at the beginning of class. Students who show up after roll has been taken will receive an unexcused absence for that class period. It is the student’s responsibility to contact the instructor prior to an absence if at all possible. In the case of a medical emergency or illness you should provide a doctor’s note to receive an excused absence.

GRADING

Grading Policy
Daily activities will consist of study and group discussion of specific skills, techniques and/or maneuvers. Each student will ride and practice maneuvers in order to advance both the student and animal levels of proficiency, comfort, and confidence. The skills will be presented in progressive sequence in that mastery of each skill is necessary for it will be incorporated into future maneuvers. Therefore attendance is imperative.

Grades will be determined by the following:

Attendance and Participation = 400 points
Weekly assessments of progress with horse = 400 points
Total points for the course = 800 points

**SAFETY is the #1 priority for labs!**

Appropriate Clothing:

1. Riding boots with a riding heel. Absolutely no “tenny lamas”, spike heels, or sandals.
2. Loose fitting jeans or long pants. No shorts or skirts.
3. An appropriate shirt. No tank-tops.
4. Jackets or coats in cooler weather. I will not provide you with a coat if you show up without one and get cold.

The syllabus/schedule are subject to change.
5. You will wear a safety helmet when riding. (TAMUC will provide a helmet to all students or you may bring your own if you have an acceptable riding helmet). We will discuss proper equipment and fit of saddles in the first two weeks.
6. You may wish to bring a water source with you to class, especially in warmer weather.
7. **DO NOT** carry your cell phone on your person when we are riding. Also please remove earrings and jewelry that may be lost when riding.

Thank you for signing up and let’s have fun!
