#### **Materials – Textbooks, Readings, Supplementary Readings**

**Textbook(s) Required:** There is no required textbook. Readings will be provided throughout the course.

#### **Course Description**

##### **University Catalogue Description**

Learning theory and teaching practices for science learning assistants. Topics include questioning strategies, conceptual development, formative assessment, argumentation, metacognition, and nature of science.

##### **Additional Course Description**

This course is intended to provide you with support and community to improve your experience as a learning assistant. You will have the opportunity to reflect on your teaching experience, discuss with other learning assistants, and read relevant science education literature that will inform your teaching.

*The syllabus/schedule are subject to change.*

## **Student Learning Outcomes**

1. Students will be able to reflect on their teaching practice.
2. Students will be able to explain findings from science education literature.
3. Students will be able to apply findings from science education literature to their teaching.

## **COURSE REQUIREMENTS**

### **Minimal Technical Skills Needed**

Students should be able to use myLeo Online and Microsoft Word.

### **Instructional Methods**

Readings and brief lecture will be used to introduce topics. Students are encouraged to ask questions during lecture. However, the primary instructional method for this course will be discussion. Students will complete writing assignments.

### **Student Responsibilities or Tips for Success in the Course**

Students are expected to read assigned articles, participate in all discussions, and complete all homework assignments. Students are to be aware of all deadlines and ask questions when directions are unclear.

## **GRADING**

Final grades in this course will be based on the following scale:

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 59% or Below

Grades will be based on 3 components:

Teaching reflections	40%
Reading reflections	40%
Discussion participation	20%

### **Assessments**

Teaching reflections: 4 teaching reflections will be assigned throughout the semester.

Reading reflections: 4 reading reflections will be assigned throughout the semester.

Discussion participation: Group and/or whole class discussions will take place in class every week.

*The syllabus/schedule are subject to change.*

Guidelines for the teaching reflections, reading reflections, and discussion participation grading will be provided in a separate document.

## TECHNOLOGY REQUIREMENTS

### Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required. If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.

## **ACCESS AND NAVIGATION**

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or [helpdesk@tamuc.edu](mailto:helpdesk@tamuc.edu).

**Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

*The syllabus/schedule are subject to change.*

## COMMUNICATION AND SUPPORT

### Brightspace Support

#### Need Help?

#### Student Support

If you have any questions or are having difficulties with the course material, please contact your Instructor.

#### Technical Support

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778 or click on the **Live Chat** or click on the words "[click here](#)" to submit an issue via email.

#### System Maintenance

D2L runs monthly updates during the last week of the month, usually on Wednesday. The system should remain up during this time unless otherwise specified in an announcement. You may experience minimal impacts to performance and/or look and feel of the environment.

#### Interaction with Instructor Statement

The best method to reach the instructor is through email. You can send an email to [robynne.lock@tamuc.edu](mailto:robynne.lock@tamuc.edu) with **LA Class in the subject line**. If you do not receive a response within 48 hours, send a reminder email

## COURSE AND UNIVERSITY PROCEDURES/POLICIES

### Course Specific Procedures/Policies

1. Cell phone use is only allowed if used for class activities.
2. **Eating is not allowed.** However, covered drinks are allowed.
3. Attendance will be taken by sign-in sheet.
4. The instructor must be notified by email ([robynne.lock@tamuc.edu](mailto:robynne.lock@tamuc.edu)) about any excused absences **no later than 24 hours after the missed class**. Even if you choose to notify the instructor in person, you **must still follow up with email** within 24 hours of the missed class. If you do not follow this policy, you will not be able to turn in late work except in extreme circumstances.
5. You are responsible for obtaining notes and class announcements from missed classes.

*The syllabus/schedule are subject to change.*

6. Excessive absences may result in being dropped from the course.
7. When emailing the instructor, include the **course number in the subject line**.
9. You are expected to check your email at least once a day for class announcements. Emails will be sent to the email addresses you provided to MyLeo. Notify the instructor if you would prefer to receive emails at a different address.
11. Students should fully participate in class activities.
12. Students are expected to be professional and respectful and take responsibility for their learning. If you find yourself struggling, the instructors are available to provide extra help outside of class.
13. Assignments will be turned in through myLeo Online. Late work will not be accepted.

### **Syllabus Change Policy**

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

## **University Specific Procedures**

### **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx).  
<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>
