What is the AP Program?

The College Board’s® Advanced Placement Program® (AP) enables students to pursue college-level studies while still in high school. More than thirty exams in multiple subject areas are offered. (See back of this flyer for complete list of exams offered for credit at Texas A&M – Commerce). AP exams are given nationally at designated high schools during the month of May. AP exams are graded on a scale of 0-5. A score of 3 or higher is needed for credit.

How do I get involved with the AP Program?

The AP Program is open to students at high schools with AP programs who are willing to accept the challenge of a rigorous curriculum.

For more information, please contact AP Services at (609) 771-7300, or toll-free in the United States and Canada at (877) 274-6474.

How do I send an AP Grade Report to a college or university?

During testing, students are encouraged to choose three schools to submit their exam scores to. If additional copies are needed, please go to https://apscore.collegeboard.org/scores.

PLEASE NOTE:

AP exam scores for exams taken in May are not available to Texas A&M University - Commerce until mid-July!
