

Student Applies for financial Aid

A FAFSA or TASFA is completed (Opens October 1 of prior year)

Student is awarded funding based on eligibility

Student must complete all requirements of award offer before award is ready to apply to their account

Student's financial aid pays toward student billing

Financial Aid disburses 10 days prior to the first day of class for most students and covers charges on the account.

Student account is settled

If overpayment occurs, a refund is issued based on setting created by student.

If balance remains, student is responsible for payment.
