Lactation Room and Diaper Changing Stations

Diaper changing stations

Diaper changing stations and toddler seat are available in the men’s and women’s restrooms on the first floor of the Library.

Lactation Room

The Library provides a comfortable Lactation Room. The room is available on a first-come, first-served basis during the Library’s open hours. A key must be checked out from the Customer Service Desk on the first floor.

The Library Lactation Room features comfortable seating, small refrigerator/freezer, microwave, storage lockers, and educational materials.

Users of the Lactation Room are responsible for:

- Obtaining your own pumping system and containers.
- Removing all expressed breast milk from the refrigerator/freezer DAILY.
- Cleaning your own pumping system.
- Providing a combination lock for the storage locker if you plan to store supplies.
- Leaving the Lactation Room clean and in good order.

We ask that those using the Lactation Room be respectful of the needs of all women who use the room, by not using it as a study space beyond the time needed to express milk. Please report any problems associated with the Lactation Room to the Customer Service Desk.

- For additional support, suggestions and recommendations regarding breastfeeding,
  You may contact: Debby Heitholt RN, 903-886-5829 email: Debby.Heitholt@tamuc.edu

Texas A&M University and the Gee Library are not responsible for any issues that may result from use of the Lactation room.
