Lead Department	Sponsor	Title	Function
Computer Science & Information Systems	Society for Design and Process Science	Sdps Grant	Instruction
Curriculum & Instruction	Department of Education	Maestros Y Directores	Instruction
Curriculum & Instruction	Texas Higher Education Coordinating Board	Tres	Research
Educational Leadership	Meadows Foundation	Meadows Foundation	Instruction
Educational Leadership	Texas A&M Research Foundation	School Leadership Program	Instruction
Engineering & Technology	Texas Higher Education Coordinating Board	A&M-Commerce Engineering Summer Pro	Student Service
Engineering & Technology	TEXO	2014 Construction Department Grant	Student Service
Engineering & Technology	BEST Robotics, Inc.	2014 Hub Development Mini-Grant	Student Service
Engineering & Technology	TEXO Education and Research Foundation	Texo Grant 2015	Student Service
Engineering & Technology	Texas Higher Education Coordinating Board	Engineering Rec Summer Program	Student Service
KETR	Corporation for Public Broadcasting	CPB CSG Grant - Appropriations	Public Service
KETR	Corporation for Public Broadcasting	CPB CSG Grant - Appropriations	Public Service
Marketing & Management	Department of Education	Fipse-Strategic Leadership	Student Service
Nursing	Texas Higher Education Coordinating Board	Pediatric Clinical Experience Using Extended Simulation	Instruction / Equipment grant
Office Of Research & Sponsored Programs	Sysmate, Inc.	Cs Faculty Industrial Proj & Res	Research
Office Of Research & Sponsored Programs	Knowledge Works Foundation	Knowledge Works	Research
Physics & Astronomy	NASA-Stennis Space Center	Extracting Symmetry Energy	Research

Current Grants - Texas A & M University - Commerce

Lead Department	Sponsor	Title	Function
Physics & Astronomy	The University of Texas at Austin	Online Intro Astronomy Course	Instruction
Physics & Astronomy	NASA-Ames	Nasa-Cataclysmic Variables Kepler	Research
Physics & Astronomy	Department of Energy	Nuclear Physics-Break-Up	Research
Physics & Astronomy	Department of Energy	Custipen	Research
Physics & Astronomy	Department of Energy	ER41533-Rare Isotopes-Reactions	Research
Physics & Astronomy	National Science Foundation	New Reu Site:Prog Physics&Astronomy	Research
Physics & Astronomy	National Science Foundation	Rui:Constraining The Symmetry Enrgy	Research
Physics & Astronomy	National Science Foundation	Kepler Field Cataclysmic Variables	Research
Physics & Astronomy	National Science Foundation	Mri Const-Acqui Of Remote Observer	Research
Physics & Astronomy	National Science Foundation	Renewal of REU Site in Physics and Astronomy at Texas A&M University-Commerce	Research
Physics & Astronomy	National Science Foundation	Radiative Neutron Capture in Stars	Research
Physics & Astronomy	Research Corporation For Science Advancement	The impact of short-range correlations in nuclear matter on the equation of state, composition and dynamics of neutron stars	Research
Physics & Astronomy	Research Corporation For Science Advancement	Determining Masses of the Mysterious Carbon- Atmosphere White Dwarfs	Research
Physics & Astronomy	Department of Energy	Determination of High-Density Symmetry Energy Through Covariance Analyses of Isovector Observables in Central Heavy-Ion Reactions at FRIB	Research
Rayburn Student Center	Texas Higher Education Coordinating Board	African American Male Mentorship	Student Service
Residential Living	Texas Department of Family and Protective Services	PAL Conference	Public Service
Social Work	Department of Justice	Oj Project Pride	Public Service
Social Work	Hogg Foundation	Bilingual Schol Prog Hogg Fdn	Scholarships & Fellowships
