Dear Wheelan,

In accord with the SACSCOC Substantive Change Policy and Procedure, Texas A&M University-Commerce is requesting late approval for off-site delivery of the Master of Business Administration degree with a major in Business Administration at the Faculty of Economics at University of Belgrade, in Belgrade, Serbia. The program, which was implemented in summer 2011, is modeled after our SACSCOC approved program with The Sarajevo Graduate School of Business in Sarajevo, Bosnia-Herzegovina.

The address for the institution is  
Faculty of Economics  
University of Belgrade  
Belgrade, Kamenička 6

Along with this correspondence, I am submitting the following: (1) a Substantive Change Letter of Notification Form and (2) a list of SACSCOC approved programs, sites, and modalities.

There are multiple factors involved in this late notification. One of the main factors has to do with a personnel matter which has been resolved. If details are needed, they can be provided.

In the meantime, please advise us as to how this needs to be handled.

Sincerely,

Dan R. Jones, Ph.D.  
President
