CURRENTLY

Principal Designer • Toyota Connected December 2018-Present

Responsibilities Include management and mentorship of the design team, oversight of the quality and delivery of UX across Toyota Connected

Senior Designer • Toyota Connected July 2017-December 2018

I have specific oversight over mobility and car share digital products for North America and Japan. This encompasses user testing, research and rapid prototyping to validate design options. I also conduct discovery sessions with Product Owners and business units to define the strategy and scope of work for new and existing products/projects.

Co-Everythinger • Magnificent Beard 2008 - Present

Making the weirdest and wildest illustrations and screen prints for a variety of clients from the music industry along with a few breweries and shoe companies.

PAST LIVES

Art Director / UI Designer • Bottle Rocket July 2012-July 2017

Crafting strategic direction, pushing visual design and making rapid prototypes for Coca-Cola, Showtime Inc and Starwood Hotels. Mentoring young designers and elevating the taste level and confidence of the XD team.

Digital Art Director • TBWA/Integer July 2010-July 2012

Creative digital campaigns from concept to delivery for Slurpee/7-Eleven.
