ADMINISTRATIVE EXPERIENCE

2013 – Present Interim Dean, College of Education and Human Services

Duties, Responsibilities and Achievements: Provided leadership for the college with multiple and diverse departments. Responsible for planning in areas of financial and academic direction. Increased communication and shared governance in the college by instituting a Virtual Advisory Committee, a Faculty Forum and having open houses to talk with faculty. Directed the revision of the college strategic plan based on faculty input. Planned and put into development stage an Office of Educational Research to assist the faculty and graduate students in the timely production of quality dissertations. Worked closely with department heads and administrators to prepare for SACS accreditation.

2010-2012 Assistant/Associate Dean of the College of Education and Human Services

Duties, Responsibilities and Achievements: Managed graduate and undergraduate student issues and concerns dealing with ethical issues. Worked closely with administrators and faculty to establish a nursing program in the college. Enhanced and developed the college mentor center which has been designated by the student senate as a model for other mentor centers. Oversaw the curriculum process for graduate and undergraduate programs. Established a tutoring program to assist students with difficult courses in the college. Interviewed and worked with departments to hire a high quality diverse faculty.

1998-2003 Clinical Manager, Mental Health Service Line
Harry S. Truman Memorial Veterans' Hospital

Duties, Responsibilities and Achievements: Responsible for the direct daily supervision of clinical activities of eleven departments in this university –affiliated, tertiary medical center teaching physicians, psychologists, social workers, counselors, addiction therapists and recreational therapists. Oversaw design implementation, analysis and data validation including analyses of cost, objective quality measures and customer satisfaction. Served on the top administrative body of the hospital, the Clinical Executive Board, which is a rare assignment for a non-physician. Promoted and assured effective communication and working relationships. Was awarded the Department of Veterans Affairs Ambassador Award for work as an educator, direct patient care provider, and active participant in the community.
