

Curriculum Vita
Sean A. Lauderdale, B.A., M.A., Ph.D.

Educational History

- 1995-2002 Texas Tech University
Department of Psychology, Division of Clinical Psychology
Lubbock, TX
Master's Thesis: Relations Among Prayer Types, Coping, and
Psychological Health
Master's Thesis Research Advisor: Stephen Cook, Ph.D.
M.A. Received: August 1998
Ph.D. Received: December 2002
Dissertation Title: The Intraindividual Dimensional Structure and
Discriminant Validity of Subjective Caregiver Burden and
Depression
Dissertation Chair: Gregory H. Mumma, Ph.D.
- 1993-1995 University of Texas at Dallas
Richardson, TX
Bachelor of Arts, Summa Cum Laude
Major: Psychology
Honors Thesis: A Comparison of Script and Non-script Stories:
Assessing the Influence of Causal Relations in Text
Thesis Advisor: Melanie Spence, Ph.D.
- 1991-1993 Dallas County Community College
Dallas, TX

Presentations

Lauderdale, S., Rennie, K., & Smith, C. (2014, November). Attention control mediates neuroticism and various avoidance strategies. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies. Philadelphia, PA.

Lauderdale, S., Rennie, K., & Smith, C. (2014 November). Intolerance of uncertainty and looming cognitive style mediates attention control and avoidance. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies. Philadelphia, PA.

Lauderdale, S., & Nelson, K. (2014, November). "I need that!" Participant characteristics associated with attitudes and intention to use an antidepressant after exposure to

televised direct to consumer advertisement. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies. Philadelphia, PA.

Smith, S., **Lauderdale, S.**, & Elliot, A. (2012, March). Correlates of the MMPI2-RF's Interpersonal Passivity Scale (IPP). Poster presented at the annual meeting of the Society for Personality Assessment.

Cassidy-Eagle, E., **Lauderdale, S.**, Glassman, J., Beaudreau, S., O'Hara, R. (2011, November). Sleep and cognitive functioning of older adults in residential care. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

Lauderdale, S. A. (2010, November). Psychometric properties of the Future Oriented and Generalized Looming Cognitive Style Questionnaire. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.

Denny, S., Wilkins, J., & **Lauderdale, S. A.** (2010, November). Effect of a community based treatment program on rural elders' perceived physical and mental health. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.

Smith, J.V., **Lauderdale, S.A.**, & Sanker, S. (2010, March). Reported coping styles associated with the MMPI-20-RF's Inefficacy Scale. Poster presented at the annual meeting of the Society for Personality Assessment, San Jose, CA.

Lauderdale, S.A. (2009). Are we okay? Interrelationship of attachment, looming, doubt in others, reassurance seeking, and GAD. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Lauderdale, S.A. (2008, November). Relationship between Physiological anxiety, cognitive avoidance, looming, and anxiety sensitivity. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.

Lauderdale, S.A., Hyatt, K., Harris, J.I., Erbes, C., Engdahl, B., & Olson, R. (2008, November). Posttraumatic growth, prayer

coping, and perceived health of older adults. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.

Lauderdale, S.A., & Hefel, J. (2007, November). Interaction of looming cognitive style, intolerance of uncertainty, and GAD. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Lauderdale, S.A., & Hefel, J. (2007, November). Reports of emotional symptoms by older ALF residents and staff. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Hefel, J., & **Lauderdale, S.A.** (2007, November). Association of frequency and intent to exercise with anxiety sensitivity in individuals with panic symptoms. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Lauderdale, S.A. (2007, November). Association between specific traumatic symptoms, posttraumatic growth, and prayers in older adults. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Lauderdale, S.A. (2007, November). Relationship between physiological anxiety, cognitive avoidance, looming, and anxiety sensitivity. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Lauderdale, S.A. (2007, November). Prayer coping of family members of people with dementia. Paper presented at the annual Alzheimer's Research Forum of the Alzheimer's Association, Heart of America Chapter, Kansas City, KS.

Lauderdale, S.A. (2007, August). Mediation of religious coping style and mental wellbeing by prayers. Poster presented at the annual meeting of the American Psychological Association, San Francisco, CA.

Lauderdale, S.A., Harris, J.I., Erbes, C., Engdahl, B., & Olson, R. (2007, August). Mediation of religious beliefs

and posttraumatic growth by prayers. Poster presented at the annual meeting of the American Psychological Association, San Francisco, CA.

Lauderdale, S.A. (2007, March). ALF residents' reports of facility satisfaction, anxiety, depression, cognitive impairment, and perceived barriers to health care. Paper presented at the annual joint meeting of National Council on Aging and the American Society of Aging, Chicago, Ill.

Lauderdale, S.A., Hefel, J., Harris, J.I., Erbes, C.R., Engdahl, B., & Olson, R.H. (2006, November). The prediction of posttraumatic growth by religious coping and prayer in older adults. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, Ill.

Lauderdale, S.A., & Hefel, J. (2006, November). Assessing the unique variance of GAD explained by looming maladaptive style and intolerance of uncertainty. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, Ill.

Lauderdale, S.A. (2006, August). Dementia caregivers' prayer type use, coping, burden, and depression. Poster presented at the annual meeting of the American Psychological Association, New Orleans, LA.

Lauderdale, S.A. (2006, August). Using Repeated Measurement to Tailor Interventions for Depressed Family Caregivers. Paper presented at the annual meeting of the American Psychological Association, New Orleans, LA.

Lauderdale, S.A., & Cassidy, E.L. (2005, November). Frequency of Anxiety, Depression, and Cognitive Impairment in Older ALF Residents: Staff Recognition and Residents' Perceived Barriers to Care. Paper presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Washington, DC.

Lauderdale, S.A., & Sorocco, K.A. (2005, November). Dementia family caregivers' prayer type use: Association with religious and non-religious coping strategies, burden, and depression. Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Washington, DC.

Larson, T., & **Lauderdale, S.A.** (2005, August). Relationship between prayer type use, religious problem solving orientation, and depression and anxiety. Poster presented at the annual meeting of the American Psychological Association, Washington DC.

Cassidy, E.L., Kelly, K., **Lauderdale, S.A.**, O'Hara, R., Sheikh, J.I. (2004, November). Combining research and practice to increase use of behavioral strategies in assisted living facilities. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Lauderdale, S.A. & Sorocco, K.H. (2004, November). Men providing care: Current state of knowledge and future directions. Poster presented at the annual meeting of the Association for the Advance of Behavior Therapy, New Orleans, LA.

Spira, A.P., Coon, D.W., **Lauderdale, S.A.**, & Gallagher-Thompson, D. (2004, November). Impact of dementia caregiver interventions on rates of institutionalization. Poster presented at the annual meeting of the Association for the Advance of Behavior Therapy, New Orleans, LA.

Lauderdale, S.A. (2004, November). Diversity's role in expanding clinical practice. Panelist for clinical roundtable at the annual meeting of the Association for the Advance of Behavior Therapy, New Orleans, LA.

Mumma G.H., Mooney, S. R., & **Lauderdale, S.A.** (2004, August). Testing intraindividual dimensional structure using confirmatory dynamic factor analysis. Poster presented at the annual meeting of the American Psychological Association, Honolulu, HI.

Cassidy, E. L., Kelly, K., **Lauderdale, S.**, Powers, R., McGee, J., & Sheikh, J. (2004, February). Assisted living facilities: The new frontier in dementia care. Poster presented at the annual meeting of the American Association for Geriatric Psychiatry, Baltimore, MD.

Coon, D. W., **Lauderdale, S.**, Gray, H., Thompson, L.W., & Gallagher-Thompson, D. (2003, November). Coping with Caregiving: Psychosocial interventions with Latina and

Caucasian female dementia caregivers. Poster presented at the Gerontological Society of American Annual Meeting, San Diego, CA.

Carlson, E., **Lauderdale, S.A.**, & Sheik, J.I. (2003, November). Aggression and PTSD symptoms in nursing home care patients. Poster presented at the Association for Advancement of Behavior Therapy, Boston, MA.

Kelly, K., Cassidy, E., **Lauderdale, S.A.**, & Sheikh, J.I. (2003, November). Efficacy of behavioral training program in dementia at an assisted living facility. Poster presented at the Association for Advancement of Behavior Therapy, Boston, MA.

Lauderdale, S.A. & Mumma, G.H. (2003, November). Multivariate, replicated, single-subject repeated measures designs: How daily processes can inform clinical practice. Panel discussion presented at the Association for Advancement of Behavior Therapy, Boston, MA.

Lauderdale, S.A., Wang, P.C., & D'Andrea, J. (2003). Tailoring caregiving interventions to caregiving men from diverse cultural backgrounds. Paper presented at the American Psychological Association's National Multicultural and Conference Summit, Hollywood, CA.

Lauderdale, S.A., Mumma, G.H., Mooney, S., & Riggins, J. (2002, November). Intra-individual dimensional structure and discriminant validity of subjective caregiver burden and depression. Poster presented at the annual convention of the Association for Advancement of Behavior Therapy, Reno, NV.

Cassidy, E. L., Rosen, C., **Lauderdale, S.A.**, & Sheikh, J.I. (2002, November). Assessment to intervention: Utilizing a staff needs assessment to improve care for behaviorally challenging patients in long-term care. Paper presented at the annual convention of the Association for Advancement of Behavior Therapy, Reno, NV.

Lauderdale, S.A., D'Andrea, J., McCallum, T.J., Coon, D., & Gallagher-Thompson, D. (2001, August). Pilot study of a psychoeducational intervention for male caregivers. Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.

Lauderdale, S.A., Mausbach, B., Coon, D., & Gallagher-Thompson, D. (2001, August). Coping with caregiving: changes in caucasian and latina coping strategies. Poster presented at the annual convention of the American Psychological Association, San Francisco, CA.

Carter, S., Freed, D.M., Elder, W.W., **Lauderdale, S.A.,** & Harter, S.L. (1998). Evaluating the utility of an informant based interview for dementia of the Alzheimer's type. Poster presented at the annual meeting of the National Academy of Neuropsychology, Washington, DC.

Lauderdale, S.A., & Cook, S. W. (1998, August). The relations among prayer types, coping, and psychological health. Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.

Reviewer Activities

2015 Invited reviewer: *Cognitive and Behavioral Practice*
2012 Invited grant reviewer: Alzheimer's Society, United Kingdom
2009 Invited reviewer: *Journal of Pain and Symptom Management*
2005 Invited reviewer: *Therapy*
2004 Invited reviewer: *Psychosomatics*
2003 Invited reviewer: *Clinical Gerontologist*

Current Research

2015 Comparison of fine and gross motor movement as predictors of cognitive impairment associated with dementia.

2015 Stigma associated with PTSD in men and women combat veterans from Operations Enduring Freedom and Operation Iraqi Freedom.

Research Activities

2001-2003 Postdoctoral Research Fellow, Aging Treatment Studies Program, VA Palo Alto Health Care System.

Responsibilities: Supervising and coordinating (e.g., recruiting, clinical ratings) multi-site clinical drug trials evaluating the efficacy of pharmacological interventions for persons with Alzheimer's disease as well as for persons with anxiety disorders.

Supervisors: Erin L. Cassidy, Ph.D., and Javaid I. Sheikh, M.D.

2000-2001

Geropsychology Intern-Older Adult and Family Center, VA Palo Alto Health Care System in collaboration with the Stanford University School of Medicine.

Responsibilities: Recruiting and co-leading a group psychoeducational intervention for male caregivers. Have assisted in selecting intervention components from manualized treatment, measures to evaluate treatment efficacy, and data collection (using both qualitative and quantitative approaches). Have also assisted other investigators with data analyses in other projects.

Supervisors: Dolores Gallagher-Thompson, Ph.D., David Coon, Ph.D., and James D'Andrea, Ph.D.

1999-2002

Dissertation, Division of Clinical Psychology, Department of Psychology, Texas Tech University. Title: Intraindividual Dimensional Structure and Discriminant Validity of Subjective Caregiver Burden and Depression.

Supervisor: Gregory H. Mumma, Ph.D.

1996-1999

Research Assistant\Dementia Screening Clinic Coordinator-Alzheimer's Disease Education Program (sponsored by a grant from Robert Wood Johnson Foundation), Neuropsychology Services, Department of Neuropsychiatry and Behavioral Sciences, Texas Tech University Health Sciences Center

Responsibilities: Selecting sites (through interfacing with community service providers), scheduling, advertising and coordinating volunteers for dementia screening clinics held in west Texas and Texas Panhandle regions. Also responsible for conducting telephone interviews with potential clinic participants and caregivers, scheduling participants, administering and scoring brief dementia screenings. Also provided clinic participants and caregivers with feedback regarding screening results, and writing brief reports.

Supervisors: David M. Freed, Ph.D., Stephanie L. Harter, Ph.D.

1998-1999

Research Assistant\Care Manager-Alzheimer Care Service\Alzheimer's Disease Education Program, Neuropsychology Services, Department of Neuropsychiatry and Behavioral Sciences, Texas Tech University Health Sciences Center

Responsibilities: Assisted principal investigators in developing operating policies and procedures manual for an integrated case management program for dementia patients and primary caregivers. Also assisted in developing research design and selecting measures to evaluate efficacy of the care program in multiple domains.

Supervisors: David M. Freed, Ph.D., Wes Elder, M.A.

1997-1998

Co-Investigator\Research Therapist-Research Project: Efficacy of Formulation-Based Psychotherapy for Depressed Caregivers of Patients with Alzheimer's Disease. Texas Tech University Psychology Department, Division of Clinical Psychology in conjunction with the Texas Tech University Health Sciences Center Alzheimer's Disease Education Program, Department of Neuropsychiatry and Behavioral Sciences.

Responsibilities: Co-investigator of a research project which had the goal of developing, implementing, and assessing the efficacy of a formulation-based treatment tailored to the caregiver's individual needs and structured around an idiographic assessment of the caregiver's distress and relevant theoretical causal and maintaining variables.

Supervisors: David M. Freed, Ph.D., Gregory H. Mumma, Ph.D.

1997-1998

Master's Level Research Project, Department of Psychology, Texas Tech University. Title: The Relations Among Prayer Types, Coping, and Psychological Health.

Supervisor: Stephan Cook, Ph.D.

1994-1995

Senior Honors Thesis, Department of Psychology, School of Human Development, University of Texas at Dallas. Title: A Comparison of Script and Non-script Stories: Assessing the Influence of Causal Relations in Text.

Supervisor: Melanie M. Spence, Ph.D.

1993-1994

Research Assistant-Neurophysiology Laboratory, Department of Psychology, School of Human Development, University of Texas at Dallas.

Supervisor: Christopher Fredrickson, Ph.D.

Teaching Experience

2003-present

Professor, General Psychology (undergraduate), Abnormal Psychology (undergraduate), Research Methods I (undergraduate), Research Methods II (undergraduate), Physiological Psychology (undergraduate), Psychology of Aging (undergraduate), Interdisciplinary Introduction to Aging (undergraduate), Criminal Psychopathology (undergraduate), Introduction to Human Neuropsychology (graduate), Psychopathology and Diagnosis (graduate), Personality Assessment (graduate), Child Personality Assessment (graduate), Evidence-Based Interventions-Children (graduate), Evidence-Based Interventions-Groups (graduate), Ethical Issues in Clinical Psychology (graduate), Psychopharmacology (graduate)

Responsibilities: Instructor of record and responsible for coordinating all aspects of instruction, including curriculum and grading.

Spring 2000

Teaching Assistant, Objective Personality Assessment, Department of Psychology, Texas Tech University.

Responsibilities: Writing and giving selected lectures to graduate students (on the evaluation of elderly patients) and evaluating students' proficiency in scoring selected objective, personality\symptom measures.

Supervisor: Stephanie L. Harter, Ph.D.

1999-2000

Teaching Assistant, Neuropsychological Assessment, Department of Psychology, Texas Tech University.

Responsibilities: Writing and giving selected lectures to graduate students (on neuropsychological aspects of cortical and subcortical dementias), demonstrating how to administer neuropsychological tests, reviewing and providing comments on students' practice neuropsychological reports, as well as evaluating students' proficiency in administering and scoring selected neuropsychological instruments.

Supervisor: Stephanie L. Harter, Ph.D.

1995-1996

Teaching Assistant (Instructor), Introduction to Psychology, Department of Psychology, Texas Tech University. Responsibilities: Writing and giving all lectures, designing and grading tests, administering computer based evaluations, and general course administration.

Supervised Clinical Experience

2000-2001

Geropsychology Intern, Older Adult and Family Center, VA Palo Alto Health Care System, Palo Alto, CA

Responsibilities: Co-led psychoeducational group interventions for male caregivers in clinical and community settings.

Supervisors: Dolores Gallagher-Thompson, Ph.D., James D'Andrea, Ph.D.

Acute Geropsychiatry Inpatient Ward, VA Palo Alto Health Care System, Palo Alto, CA

Responsibilities: Provided a range of psychological services, including neuropsychological assessment, individual psychotherapy, group psychotherapy, and case management to veterans experiencing acute psychiatric symptoms. Also provided in-services to nursing staff regarding elder abuse and strategies for behavioral management.

Supervisor: Ellen Coman, Ph.D.

Brain Injury Rehabilitation Unit, VA Palo Alto Health Care System, Palo Alto, CA

Responsibilities: Provided neuropsychological consultation services to veterans in a variety of settings (in-patient and out-patient) throughout the health care system. Also provided individual psychotherapy to veterans with brain injuries participating in a comprehensive rehabilitation program.

Supervisor: Bill Lynch, Ph.D.

1998- 2000

Consultant-Quail Ridge Special Alzheimer's Care Center
Alzheimer's Disease Education Program
Neuropsychology Services
Department of Neuropsychiatry and Behavioral Sciences
Texas Tech University Health Sciences Center

Responsibilities: Providing family caregivers with information regarding the symptoms, treatment, and prognosis of Alzheimer's disease and related disorders. Conducted brief dementia evaluations on selected residents and provided nursing and social work staff with plans for behavioral management of behavioral symptoms. Provided in-services to nursing assistants on

communication techniques and managing behavioral symptoms of residents with dementia. Provided recommendations for staff training to social work and nursing staff directors.

Supervisors: David M. Freed, Ph.D., Stephanie L. Harter, Ph.D.

1996- 2000

Research Assistant
Neuropsychological Services
Department of Neuropsychiatry and Behavioral Sciences
Texas Tech University Health Sciences Center

Responsibilities: Conducting neuropsychological evaluations on a variety of clients referred for traumatic brain injury, cerebrovascular accidents, attention-deficit-hyperactivity disorder, learning disorders, mental retardation, and dementia. Specific duties included conducting clinical interviews, administering assessment instruments, scoring test results, writing reports, and providing feedback to clients and caregivers.

Supervisors: David M. Freed, Ph.D., Stephanie L. Harter, Ph.D.

1996- 1999

Psychologist-in-Training
Texas Tech University Psychology Clinic

Responsibilities: Conducted screening interviews and initial evaluations of clients seeking psychotherapeutic services. Conducted psychological assessment of cognitive, personality, and psychiatric functioning. Conducted diagnostic interviews and wrote case formulations for a wide variety of clients with mood, anxiety, and personality disorders. Provided individual psychotherapy to Caucasian and Hispanic adults, adolescents, and children using psychodynamic, cognitive-interpersonal, and cognitive-behavioral therapies. Also provided couple's and family therapy.

Supervisors: James Clopton, Ph.D., Catherine Epkins, Ph.D., Gary Fireman, Ph.D., Charles Mahone, Ph.D., Gregory H. Mumma, Ph.D., Barbara Zebb, Ph.D.

Community Services\Presentations

Fall 2012

Invited Presentation: Advances in diagnosis and management of Alzheimer's Disease. Public presentation provided by Psi Chi at Pittsburg State University.

- Fall 2004 Public Presentation: Alzheimer's Disease: Characteristics, effects on caregivers, and staff response. Staff of Mt. Carmel Cornerstone Assisted Living Facility.
- Fall 2004 Public Presentation: Alzheimer's disease: Risks, course, and treatment advances. Alzheimer's Association Heart of America Chapter, Oswego, KS.
- Summer 2004 Public Presentation: Risk factors for Alzheimer's disease and current treatment approaches. Alzheimer's Association Support Group, Iola, KS.
- Summer 2004 Public Presentation: Alzheimer's disease: Changes in thinking and caregiver adaptation. In-service presented to staff of Presbyterian Village, Ft. Scott, KS.
- Summer 2004 Public Presentation: Causes, consequences, and treatment for Alzheimer's disease. Mt. Carmel Cornerstone Village Support Group, Pittsburg, KS.
- Spring 2004 Public Presentation: Alzheimer's disease and other dementias: Causes and Consequences; Down's Syndrome and Alzheimer's Disease; Current Medications Used to Treat Alzheimer's Disease. Alzheimer's Association Heart of America Chapter, Oswego, KS.
- Fall 2002 Public Presentation: Dementia and behavioral symptoms: Finding the lock and key. Rosner Adult Day Activity Center, Menlo Park, CA.
- 1996-2000 Support Group Facilitator-Alzheimer's Association, Lubbock, TX.
- Spring 2000 Public Presentation: Causes and Course of Alzheimer's Disease: Communicating and Managing Behavioral Problems at Home. Lubbock Adult Day Care, Lubbock, TX
- Fall 1998 Public Presentation: Basic Communication and Problem-Behavior Management Strategies for Alzheimer's Patients. Texas Tech University Health Sciences Center, Lubbock, TX.
