

## TANNER LEONARDO

Princeton, TX 75407 | 502.974.6824 | tleonardo13@gmail.com

### PROFESSIONAL STATEMENT

I'm dedicated to fostering an inclusive and equitable learning environment where diversity is celebrated. I stay informed about evolving educational practices and cultural shifts to better support my students. Guiding students to discover their passions and reach their goals is what I love most about teaching. My goal is to empower every student to realize their full potential.

### EDUCATION

Doctor of Musical Arts <i>University of Kentucky</i>	Projected Spring 2024
Master of Music <i>Morehead State University</i>	Spring 2020
Bachelor of Music <i>University of Louisville</i>	Spring 2018

### TEACHING

Texas A&M University Commerce <i>Adjunct Professor of Percussion</i>	Commerce, TX August 2022 – Present
---	---------------------------------------

- Taught applied lessons to music majors and non-music majors at the undergraduate and graduate levels
- Percussion Ensemble II – Premiered *catharsis* by Tanner Leonardo
- Percussion Ensemble III – Worked directly with composer Dr. James Vilseck on his composition *Starfall*
- Experimental Music Ensemble – Worked with composer Anders Åstrand on his composition *Sangelstainen*
- Many percussion ensemble [Performances](#) with extensive use of multimedia, lighting, audio tracks, and other modern technology
- Music Technology course redesign and implementation: Each student is guided to make their own website, resumé, audio recordings, video production, digital portfolio, composition and work with Artificial Intelligence.
- Led numerous students to success on Junior, Senior, and Graduate recitals.
- Assisted student, Bao Tran, to win the 2023 Black Swamp Snare Drum Competition

- Provided recording and production for Percussion Ensemble I to win the 2023 Percussive Arts Society International Convention's International Percussion Ensemble Contest
- Marching Band – Drumline and Front Ensemble Education, Audio Engineering and Student Intern Education
- Taught lessons in DFW to students in middle and high school, achieving success at recruiting for the university and placing students in all-region and all-state ensembles.

 Percussion Ensemble III MUS 100  
 Minor Applied Percussion MUS 151  
 Restricted Applied Percussion MUS 149  
 Principal Applied Percussion MUS 152  
 Principal Applied Percussion MUS 352  
 Senior Recital MUS 453  
 Junior Recital MUS 353  
 History of Rock and Roll MUS 1309  
 MUS 217 Percussion Methods

#### TAMUC Student and Ensemble Achievements

- Percussion Ensemble I – Percussive Arts Society International Percussion Ensemble Competition Winner
- Marching percussion students achieving contracts with top Drum Corps (Blue Devils, Santa Clara Vanguard, Cavaliers, Troopers, Mandarins, and more)
- Recruitment and audition entries for percussion area have increased to the highest levels in the history of the program
- Undergraduate Student won the 2023 Black Swamp Snare Drum Competition – College Category
- Current and former students acquiring industry specific employment and professional success
- Ensembles regularly collaborate with numerous composers and educators on select compositions and professional endeavors
- Current and former students acquiring positions in DCI and WGI ensembles as performers, educators and audio engineers

- Educator, ensemble coordinator, and production supervisor for music production
- Educated individual and ensemble students to achieve a high quality music production
- Supervised the production of musical and visual elements, ensuring cohesiveness and high performance standards
- Ensemble coordinator to help facilitate the relationship between staff and students
- Maintained a large inventory of percussion and administrative equipment
- Facilitated a performance tour of the Midwestern USA
- Recruited over 200 KY, IN, OH, and TN students to audition for 38 performing spots
- Facilitated a staff of 30 professionals including educators, admin, and staff
- Created grant proposals and fundraising of over \$150,000 donations (in-kind and monetary)
- Formed and maintained industry relationships for endorsements and professional growth

## RESEARCH

### *A Spectral Analysis of Keyboard Instruments*

December 2023

#### *Vibraphone Bars with Emphasis on Mallet Choice and Overtone Projection*

- Met with performer Anders Åstrand and Vic Firth Lead Mallet Designer - Tim Sepe
- Recorded different vibraphones with Anders Åstrand Signature mallets
- Worked on mallet design description and homogenizing mallet construction vernacular language
- Discussed future international trips for spectral analysis demonstration and the effects the research will have on the industry
- Compiled a document of over 70 pages of mallet transient recordings and descriptions.

### Recording Tips for Video-Auditions

November 2023

#### *Premiered at 2023 Percussive Arts Society International Convention*

- Created a resource for students to see best practices of recording techniques for percussion instruments
- Experimented with different modern technology to find accessible, industry standard practices
- Gave an in-person clinic for TAMUC students to see best recording practices

- Recorded successful graduate school auditions for students to achieve acceptance past video-rounds
- Compiled research into one video for students to use as a template

[Interdisciplinary Hands – By Jeff Ausdemore co. Produced by Tanner Leonardo](#) November 2023

*Premiered at 2023 Percussive Arts Society International Convention*

- Compiled a resource (over two hours) of snare drumming technique description and performance from interdisciplinary performers
- Worked as co-producer with Jeff Ausdemore to determine content, pacing, and style of the resource
- Project included: Jim Riley (Rascall Flats – Drummer), Jeff Prosperie (Hellcats – Principal Drummer), Josh Jones (Grant Park Festival Orchestra – Percussionist), Michael Eagle (Rhythm Monster – Founder & CEO), Brendan Mason (Connecticut State Junior Snare Drum Champion), James Catherall (Blue Knights – Sound Designer), Jeff Ausdemore (StryveMind – Founder & CEO)

Virtual Ensembles! In a Post-Covid World

November 2021

*Premiered at 2021 Percussive Arts Society International Convention*

- Researched and projected the use of “virtual ensemble” technology for a post-pandemic musical world
- Produced a one hour resource to guide viewers on how to create virtual ensembles for their own organizations
- Established a place for musicians to understand audio and video editing software, its capabilities, and practical utilizations
