Internship Class for Criminal Justice Majors (Coordinate & Teach): As coordinator I have worked to establish linkages with a number of criminal justice agencies as well as private organization to provide internship opportunities for criminal justice majors. Students write a theory paper, policy paper and maintain a journal in addition to completing 120 hours. This course is also designated a writing intensive class.

- Coordinated & taught class spring 2006 – to present.

Some of the agencies/organizations for internship worked with:

- Austin Police Department
- El Paso Police Department
- Private Attorneys:
 - (A number of private attorneys in Austin, TX)
- Travis County Juvenile Probation Department
 - (Detention Services)/Gardener Betts Facility
- Texas Department of Criminal Justice
 - (Parole Division)
- Texas After Violence Project
- Department of Homeland Security
- United States Postal Service
- American Civil Liberties Union
- Target-Asset Protection
- Mothers Against Drunk Drivers (MADD)
- The Truman Halfway House
- Safe Place

Senior Seminar: This course is writing intensive. Students must identify a research topic/project. Subject to methodology, students are guided through the Human Subject certification process along with Institutional Review Board (IRB) approval. Final projects are presented at the Annual Dr. Joseph Jones Undergraduate Research Day Forum in April. Presentations take the form of podium, poster or roundtable. As course faculty, I created the course and I have taught this class for over 10-years every spring.

Law School. Twenty students (10 from each institution) participate in a residential
program focused on exposing participants to the rigors of first year law school;
students attend lectures, prepare oral arguments, engage in civil discourse, etc. for
five (5) weeks. Participation involves, recruiting students, contributing to program
development, trouble shooting, etc.

**Research
Experience:**

January 2012 Children of the Deported (ongoing)

June 2005-August 2005

Dissertation Research:

Qualitative analysis of deportation policy and practices and the process of contemporary globalization with Jamaica as the specific case study.

**Research
Experience
cont'd:**

February 2005 – August 2005

Doctoral Research Assistant

Prairie View A&M University, College of Juvenile Justice & Psychology
Sex Offender Research Grant (awarded to Drs. Camille Gibson and Philip Ikomi).
The Texas Juvenile Crime Prevention Center, an arm of the College of Juvenile Justice and Psychology has a legislative mandate to examine juvenile sex offending.

As research assistant:

- Conduct and prepare literature review on juveniles who sexual offend against minors, with particular interest to cultural and sub-cultural issues.
- Participate in review of juvenile offenders file.

September 2003-January 2004

Site Coordinator (Houston) Arrestee Drug Abuse Monitoring (ADAM).

Prairie View A&M University, Prairie View, TX
Project Director/Principal Investigator: Dr. Clete Snell

ADAM is a drug research program of the National Institute of Justice that provides program planning and policy information on drug use and other characteristics of arrestees in U.S. cities.

As Site Coordinator, functions include:

- Overall operational responsibility for daily data and urine collection.
- Includes scheduling data collection, obtaining supplies, supervising 14 interviewers.
- Assisting Project Director in hiring and training of interviewers.
- Along with Project Director, liaison between police agency personnel and National Institute of Justice (NIJ) and National Organization for Research (NORC).
- Responsible for final edit of survey instrument and mailing completed questionnaires and urine samples to data bank and laboratory.

June 2003 - August 2003

Doctoral Research Assistant

Prairie View A&M University, College of Juvenile Justice & Psychology
Tobacco Settlement Agreement Grant (awarded to Dr. Clete Snell).

Prairie View A&M University was awarded a grant by the Texas Department of Health (Principal Investigator, Dr. Clete Snell) to evaluate tobacco enforcement activities in the state of Texas.

As research assistant:

- Worked with juveniles from Harris County Juvenile Detention Center on Operation Storefront Campaign, a project geared at curtailing the proliferation of tobacco advertising and promotion targeting youth.
- Conducted surveys of retail establishments
- Trained juveniles on conducting tobacco compliance surveys in stores and out.
- Trained juveniles on state laws regarding tobacco advertisement and sales.
- Coded questionnaires, completed data entry and analyzed data using SPSS.

September 2001 - May, 2003

Doctoral Research Assistant

Prairie View A&M University, School of Juvenile Justice & Psychology
As research assistant:

- Worked on Tobacco Prevention Initiative Projects to evaluate Law Enforcement Officers and Judges' attitudes in enforcing tobacco laws against youth and tobacco merchants.
- Conducted mail survey to law enforcement officers and Judges statewide.
- Coded, entered and analyzed data using SPSS.
- Field observation of law enforcement officers as they conducted controlled-buy or sting operations.

September 1999- August 2001

Research Assistant (Master's level)

Prairie View A&M University, School of Juvenile Justice & Psychology
Project Youth Connect (Youth Mentoring Advocacy Program for At Risk Youths)
(Project Director, Dr. R. Mupier).

As research assistant:

- Administered pre- and post-test/survey to at risk youth, including providing clarification of questions, coding data collected, entered and analyzed data using SPSS.
- Prepared monthly service summary reports.
- Evaluated mentors as they provided services designated by the grant in areas of school bonding, academic performance and life management, leadership skills and decision-making.
- Alcohol research with Drs H.E. Rodney and R. Mupier. Conducted literature research and preliminary data analysis of parenting styles of alcoholic parents.
- Delinquency research with Drs. H. E. Rodney and R. Mupier. Conducted literature research on male and female delinquency.

**Other
Research:**

September-December 2002

Content Analysis of *Time Magazines* coverage of Juvenile Delinquency issues (paper).

An Analysis of the Leading Introductory Criminal Justice Textbooks: An Examination of their Juvenile Justice Content and the Adequacy of Legal Issues Addressed (paper).
