

*Curriculum Vita, August 26, 2015***Julian Sanchez**

1307 E. Cherry, Sherman, TX 75090
(903) 267-5160

EDUCATION:

- 2009 - 2012 **Master of Science, Texas A&M University-Commerce, Commerce, TX**
Major: Psychology (Clinical Track)
- 2006 - 2009 **Bachelor of Science, Texas A&M University-Commerce, Commerce, TX**
Major: Psychology (Clinical Track)

RELATED EXPERIENCE:

- June 2015-
Present **Coordinator of Hispanic Outreach and Retention, Texas A&M University Commerce, Commerce, TX, Supervisors: Fred Fuentes PhD, Dina Sosa, MA**
- Provide guidance to Hispanic students in regards to registration to the university, financial aid, and other services offered by our campus
 - Advise the Hispanic Male Initiative Program and the Hispanic Student Association to improve students' leadership skills and raise graduation rates
 - Coordinate programs for the university and community to raise awareness of the Hispanic culture not only for Hispanics but for the university population in general
- October 2012-
June 2015 **University College Success Coach, Texas A&M University Commerce, Commerce, TX, Supervisors: Jennifer Hudson MA, Ricky Dobbs, PhD**
- Register and advise freshmen in appropriate course to take for their degree plan. Provide consultations to students about different degrees and requirements for the degrees provided in our campus.
 - Conduct early intervention after the fifth week of class for students who are failing courses. Together we strategize on how to improve the mistakes made during the first five weeks and construct a plan to succeed. Not only during intervention but throughout the year we help students find all of the available resources campus, career counseling, psychotherapy, financial services, tutoring services, and any department that they need to come in contact at some point during their first year.
- January 2011 -
May 2013 **Assessment Practicum Intern, Community Counseling and Psychology Clinic Texas A&M University-Commerce, Commerce, TX. Supervisors: Charles Keenan, PhD and Steven Ball, PhD**
- Performed comprehensive psychological evaluations with children, adolescents, and adults, and wrote integrative reports
 - Administered, scored, and interpreted the following instruments: Woodcock-Johnson Psycho-Educational Test Batteries, Third Edition (WJ-III), Wechsler Adult Intelligence Scale, Fourth Edition (WAIS-IV), Behavior Assessment

System for Children, Second Edition (BASC-2), Millon Clinical Inventories (MCMI-III, MACI), Minnesota Multiphasic Personality Inventories (MMPI-2, MMPI-A, MMPI-2-RF), Beery-Buktenica Developmental Test of Visual-Motor Integration, Sixth Edition (VMI), Conners' Continuous Performance Test, Second Edition (CPT-II),

RESEARCH AND TEACHING EXPERIENCE:

August 2009-
December 2009

Undergraduate Research Assistant, Department of Psychology

Texas A&M University-Commerce, Commerce, TX. Supervisor: Bento Pierce, PhD

- Interviewed and debriefed participants. Conducted studies in effects of emotion on associative recognition with participants and made sure experiment conditions were adequate and directions were followed by participants correctly. The article was published in the Journal of Emotion in 2011.
- Collected data from participant responses in excel.

January 2010-
May 2010

Undergraduate Research Assistant, Department of Psychology

Texas A&M University-Commerce, Commerce, TX. Supervisor: Shulan Lu, PhD

- Debriefed participants for studies involving spatial perspective. Conducted experiments with participants and also helped with construction of experimental conditions. Research related articles for the studies and contributed to the overall design of experiments. The study was not completed.
- Collected data from participant responses.
