# University Leadership

## **John Sharp, M.P.A. Chancellor, The Texas A&M University System**

John Sharp was appointed chancellor of The Texas A&M University System by the Board of Regents on September 6, 2011. As chancellor, Sharp leads one of the nation's largest university systems, which has an annual budget of \$9.6 billion. Enrollment at the A&M System's 11 universities and health science center has grown to more than 152,000, and externally funded research expenditures are in excess of \$1 billion.

Sharp brings with him more than three decades of public service. He came to the A&M System from Ryan & Company, where he was a principal with the largest state and local tax consulting firm of its kind in Texas. He earned a Bachelor of Arts degree in political science from Texas A&M University in 1972, where he was a member of the Corps staff of the Corps of Cadets and was elected student body president. Upon graduation, he was commissioned as a second lieutenant in the United States Army Reserves. He belongs to American Legion.

In 1976, Sharp received a master's degree in public administration from Southwest Texas State University while working full-time with the Legislative Budget Board in Austin. In 1978, he opened a one-man real estate firm in Victoria, Texas, and became a successful small business owner.

That same year he was elected to the Texas House of Representatives and was named "Outstanding Freshman" by Texas Monthly. He won a seat in the Texas Senate in 1982, where he served on the powerful Senate Finance Committee, and was elected to the Texas Railroad Commission in 1986.

Sharp was elected state comptroller in 1990 and re-elected in 1994. When he took office, he quickly began working to fulfill his pledge to "make government work more like our most successful businesses." Eight years later, he reinvented Texas state government and turned it into a high-quality, low-cost customer service operation that has saved taxpayers billions, helped avert a state income tax and served as a model around the world.

## **Dr. Mark Rudin, Ph.D. President, Texas A&M University-Commerce**

Dr. Mark Rudin was appointed President of Texas A&M University-Commerce by The Texas A&M University System Board of Regents on August 16, 2018. Dr. Rudin has a Bachelor of General Health Science (1983), Master of Science in Health Physics (1985), and Doctor of Philosophy in Medicinal Chemistry with a Concentration in Health Physics (1989) from Purdue University.

Student success, expanded research, and economic development are among Dr. Rudin's top priorities as President. His vision for A&M-Commerce includes adapting traditional models to meet the needs of all students and providing skills development in preparation for post-graduation employment.

Prior to assuming the presidency at A&M-Commerce, Dr. Rudin served as the Vice President for Research and Economic Development at Boise State University. During his eleven-year tenure at Boise State, he played a central role in expanding research activity and developing collaborative partnerships with both public and private entities.

Dr. Rudin previously served at the University of Nevada, Las Vegas in a variety of administrative roles before being named Interim Vice President for Research and Graduate Dean. He also served as a Technical/Administrative Assistant with the U.S. Department of Energy and as a Senior Program Specialist/Project Engineer with EG&G Idaho, Inc. Dr. Rudin's career in education began in Idaho where he served as an instructor in the Department of Health Physics at Idaho State University.

## Ms. Susana Cordova

### Deputy Superintendent of Leading and Learning

Before joining Dallas ISD as deputy superintendent, Susana Cordova served as superintendent of Denver Public Schools. Cordova has more than 30 years of experience in education as a teacher and school leader at elementary, middle and high school levels. She began her teaching career as a bilingual middle and high school teacher, serving for a time as an elementary assistant principal and principal at a Title I school, which saw a 33% increase on the state's reading assessment over four years. As superintendent in Denver, Cordova led significant improvements in student outcomes over the past five years, including an 8% increase in graduation rates and a 10% improvement in Latino/a student graduation rates. In 2020, under her leadership, students completed more than 31,000 rigorous courses with a passing rate of 89%, and elementary multilingual students outperformed their peers across the state in reading.

## Emily Jennings

### Agricultural Leadership and Communication Major

Emily Jennings is from Maud, Texas. She is the daughter of Hugh and Nocy Jennings. Emily is an Agricultural Leadership and Communication major with double minor in Economics and Finance. Ms. Jennings is an active member of the successful professional, leadership-focused, Sigma Alpha sorority, serving on the executive board as Treasurer and as the AgriBusiness Club President. She also participates in the Southern Agricultural Economics Association Quiz Bowl.

Ms. Jennings has made the most of her undergraduate experience by involving herself in social, academic, research, and competitive opportunities on campus. She has a dynamic and charismatic personality and shows kindness and compassion for others while serving as a positive example of student leadership.

Emily is also a TAMUC Honors College scholar, who has recently and successfully defended her Honors Thesis. This accomplishment has shown she has the ability to focus and adapt to change, possesses a fantastic work ethic, and demonstrates an exemplary quality of work.

She is described as affable, approachable, and admired by both her peers and faculty members.

## **Vida Storm Robertson**

### **Biological Sciences Major**

Vida Storm Robertson was born in Oxford, Ohio and raised in Richmond, Texas by his parents Vida and Kelli Robertson. At William B. Travis High School, Vida Storm played varsity football, ran track and graduated with a 4.0 GPA. While at Texas A&M University-Commerce, Vida Storm was a part of the Honors College, a McNair Scholar, did organic chemistry research with Dr. Allan D. Headley, and did a summer research experience in synthetic biology at Northwestern University in Evanston, Illinois.

While at TAMUC Vida Storm maintained a 4.0 GPA and earned leadership positions in student organizations including serving as president of Venture College and as Vice President of Beta Beta Beta and Phi Kappa Phi. Upon graduation, Vida Storm will start a joint degree program in which he will earn a Master's in Chemistry from Fisk University and then transition into a PhD program in either bioengineering or chemical engineering at the University of Illinois Urbana-Champaign. During his graduate education, Vida Storm will continue to research synthetic biology and protein design. He has ambitions to open a research lab and earn a professorship after his graduate degrees.

## **Shelby Gerner**

### **Kinesiology and Sports Studies Major**

Shelby Gerner is from Blue Ridge, Texas. She is the daughter of Christopher and Angela Gerner. Shelby Gerner started her first semester at Texas A&M University-Commerce in the Fall of 2018. She is graduating Cum Laude with a Bachelor of Science in Kinesiology and Sports Studies with a concentration in Health & Human Performance and a minor in Athletic Training. In her time here Shelby has been a part of the Student Athletic Training Program and was recognized by the Lone Star Conference for academic honors. She has served as Recruitment Chair and President for the Chi Omega Fraternity, worked at the Morris Recreation Center as a Lifeguard and Intramural Supervisor, as well as being involved in the Baptist Student Ministry, the Health & Human Performance Research Team, and the Texas American College of Sports Medicine Quiz Bowl Team. Shelby will be continuing her education at TAMUC pursuing a Masters in Exercise Science while working as a Graduate Assistant for the Health & Human Performance Department.

## **Regents' Scholars**

The Regents' Scholars program is a four-year scholarship program which allows students to pursue a degree in their chosen field while developing awareness of international issues and cultural contrasts. The program provides students with leadership theory and practice, allowing them to create a positive impact on campus and in their future profession.

## **Global Scholars**

The Global Scholar program creates an opportunity for students to become better prepared for engaging in a highly interconnected world. Students awarded this distinction and recognition exhibited a high-level of involvement in specialized instruction and experiences, such as global events and travel.

## **Honors Scholars**

The Honors Scholar Program provides students outside the Honors College with an opportunity to reap the benefits of the Honors experience and to graduate with an Honors designation. Students enter the Honors Scholar program through a multitude of avenues: the Regents Scholar Program, self-nomination, nomination by department, Phi Theta Kappa transfers, or by entering into Honors later in their college experience. The Honors Scholar Program experience culminates in the completion and successful defense of an honors thesis led by esteemed faculty.

## **Honors College**

The Honors College at Texas A&M University-Commerce is a learning community of students that strive to gain a better understanding of the world around them and of themselves. Honors College students challenge themselves through completion of an interdisciplinary honors curriculum, housing in a residential community, and service to the community. The Honors College experience culminates in the completion and successful defense of an honors thesis led by esteemed faculty.
