OUR MOTTO

Be Part of the Change.
Create and Inclusive Community Characterized by Respect and Collaboration

- Provide superior customer support/services and foster employees’ knowledge of the university’s policies, processes and procedures.
- Provide specific training and professional development to help university faculty and staff engage, grow and learn. The training section seeks to help employees increase their effectiveness by building and refining job skills and by gaining greater knowledge of the university’s processes and procedures. The development section prepares employees for increased or more diverse responsibilities, as well as enriching the employees’ life.
- Measure student employment and explore alternatives for improving communication with students to maximize their preparedness for their role as an employee.
- Promote alternative dispute resolution (ADR) to give employees-in-dispute the opportunity to work through the issues formally with help from a neutral party.

Transform Our Operations to Serve the Mission of a Contemporary University

- Data analysis that can help the university attract, motivate and retain the right people using the Human Resources metrics to assist with streamlining internal processes.
MISSION

Enable innovation, learning and discovery through technology and service.

VISION

Technology is a foundational service for the success of the University. We support everyone who is striving to uphold the institution’s principles.

Create and Inclusive Community Characterized by Respect and Collaboration

• Maintain a customer focused culture.

Transform Our Operations to Serve the Mission of a Contemporary University

• Improve costs and efficiencies by focusing on best practices and metrics using the service level agreements (SLAs) for each IT department.
• Maintain a secure and stable environment.
MISSION

Provide excellent service and communication to both internal and external stakeholders. We believe that pure communication, supportive teamwork, deep and trustworthy relationships with campus and community partners foster productive and effective results.

VISION

The foundation of Campus Operations and Safety is our belief and desire for personal success and the success of our campus. We are dedicated to civility, ownership, preparedness, and education.

Create and Inclusive Community Characterized by Respect and Collaboration

- Creation and dissemination of a multi-year exercise program.
- Improve construction and project processes on campus.

Transform Our Operations to Serve the Mission of a Contemporary University

- Creation of a construction guideline document that identifies typical standards, cost, and design for campus construction projects.
- Create a tracking document that identifies priority dates for compliance submission of federal, state, local and system regulations, policy and procedural rules.
MISSION

Provide a safe and secure environment and a learning atmosphere that promotes unfettered thought, ceaseless industry, and fearless investigation. To accomplish its mission, UPD strives to protect and serve the campus community with the highest level of professionalism.
