

## Special Education Course Sequence

**\*Please note that if you are on Financial Aid, it will require you to be enrolled in a minimum of 6 semester hours during the fall/spring semesters. In the summer, one course in summer I and one in summer II fulfills the requirement. If possible, we recommend only taking two courses total (one each term) in the summer. For example, SPED 573 and 574 are best taken by themselves, and 586 and 540 are two other courses that are intensive summer courses.**
