

COSINETx Fall Workshop

OCT 16, 2021

Open to all STEM teachers who want to improve their teaching practices, or are interested to network with other STEM teachers and our Noyce scholars. This workshop will be hosted by the A&M-Commerce Department of Physics and Astronomy, and is open to the public.

Location: Keith D. McFarland Science Building (Building B34 [on the campus map](#)).

Date and time: Saturday, Oct 16, 2021 from 9:30 am-2:30 pm.

Outline of Activities

Free T-Shirts and other swag for participants. Free Lunch!

- Interactive workshop on content and best practices in teaching STEM
- Networking opportunities with other STEM high school teachers
- Opportunities to learn about teacher preparation programs at A&M-Commerce
- Opportunities to become a mentor for Noyce scholars

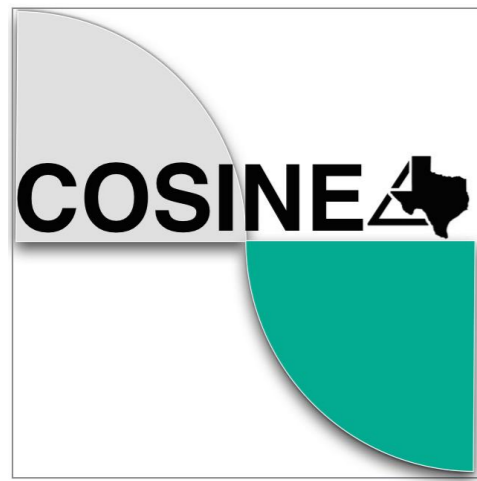

For more information, email us at William.Newton@tamuc.edu or call 903-886-5488.
