

CANDIDATE: _____

DATE: ____\ ____\ _____

INTERVIEWER: _____

Personal qualities:

In your own words, define what "service" means to you. Do you have any volunteering experience?

Describe how YOUR social media use would affect your professional and personal reputation?

Communication:

What techniques might you use to convey a message to someone, when words alone are not sufficient?

What practices do you implement during situations of conflict; and, are they successful?

Profession Realities:

What do you think is the role of a law enforcement department?

What are the key values of a police officer and how do you demonstrate these values?

Academics, Preparedness, & Mindset:

What types of research or preparation have you done in preparing for a law enforcement career (and this interview)?

(One Ad-hoc question derived from the candidate's essay prompt response)

QUESTION: _____

ANSWER: _____
