What Can Your Team Achieve?

The Challenge Course at Texas A&M University-Commerce provides the ideal location and programming to get your team out of the office, out of the classroom, or out of wherever their comfort zone is and allow them to challenge, develop, reflect, and learn in the outdoors. It boasts 13 Low Element Activities, 15 High Elements, and dozens of games and tasks. Our Outdoor Adventure Staff will guide you and your team through a series of ever-increasing challenges to help the group feel more confident, engaged, and ready to take on the next challenge as a team.

Program Options

Low Elements (2-3 Hours)

Let your team challenge each other by completing a variety of initiatives, games, and obstacles where teamwork isn’t just encouraged but required to succeed. Focused on developing...

- Teamwork
- Leadership
- Communication
- Critical thinking

High Elements

Push yourself and your team to the limits at 30 feet in the air with adrenaline-pumping obstacles and invigorating experiences. Focused on developing...

- Personal growth
- Team comradery
- Build trust
- Break out of comfort zone

What Do the Elements Look Like?

Low Elements

Telephone Pole (TP) Shuffle

Challenge your group’s balance while also working on communication. Can you all arrange yourself in birthday order? What about by your favorite animal? What if you can’t speak to each other? How will you accomplish it then?

Whale Watch

Can your team work together to keep your imaginary boat from sinking? Can you find your teams equilibrium and keep it together as you traverse around our giant seesaw?

High Elements

Climbing Wall

Race yourself or your friends up our 30 foot climbing wall to the top of the Zip Tower. Can you muster the determination and drive to make it all the way to the top?

Dual Zip Line

Fly down our 300 foot Zip Line and see who gets to the bottom first! Our most popular attraction will have you feeling your heart in your throat and get you adrenaline pumping to the max!
