

Annual Research Symposium

A&M-COMMERCE

Rayburn Student Center – 2nd Floor

April 17, 2024

1:00 pm – 7:00 pm

Attention: Industry Representatives and Alumni

We are seeking area industry representatives and alumni to judge undergraduate and graduate student research posters and oral presentations at our 2024 Annual Research Symposium (ARS).

Agenda:

1:00-5:00 PM – Research Symposium

- **1:00-5:00 Oral Presentations**
- **2:30-4:30 Poster Presentations**

5:00-6:00 PM – Networking Event

6:00-7:00 PM – Dinner and Awards Ceremony

If you are interested in this unique opportunity to learn about the ongoing research at the university while supporting our research students, please fill out the information below and return it to ARS@tamuc.edu.

Judges will receive the following:

- Invitation to free networking hour and dinner.
- Judging assignments for something similar in your field if possible. You are not expected to have expertise in the specific research areas but will judge students based upon their ability to explain their research and answer any questions you may have.
- Rubric will be provided to each judge explaining how scores are decided.
- There will be 2-3 judges per presentation so the overall scores will be averaged.
- Training will be provided prior to the event on what a judge will look for.

Thank you and we look forward to meeting you!
